

NEC Display Solutions Europe GmbH

Our company name underlines our leading position in the display market and our role as total display solutions company - NEC display solutions for more efficiency and individual productivity, for best return on investment and investment protection.

Whatever your needs are, NEC Display Solutions has the right product. No other vendor today can offer such a comprehensive and solution oriented portfolio as NEC Display Solutions has today. NEC Display Solutions brings together experts in the industry and offers a single point of contact to provide total display solutions for a variety of vertical markets.

Within our department **Marketing & Business Development** in our headquarter in Munich we are looking for one

Field Sales Engineer VUKUNET (m/f)

VUKUNET is NEC's comprehensive AdServing Platform for Digital-out-of-Home (DOOH) networks and media owners.

Primary responsibilities

- Supporting media agencies and DOOH companies in all questions on the use of the software platform
- First point of contact for all VUKUNET customers for administrative and operative questions
- Close cooperation with project teams
- Continuously optimizing customer satisfaction
- Maintaining customer contacts

Knowledge and skills requirements

- University degree in business administration with focus on marketing and advertising
- Technical knowledge
- Ability to analyze software problems as well as to create solutions
- Professional experience in a media agency or in the field of digital out of home advertising
- Strong presentation and communication skills
- Fluency in English and German
- Solid knowledge of common project management methods as well as CRM
- Very good IT skills (MS-Office)

If you are interested in this challenging task in a high levelled technical environment and want to join one of the leading display manufacturers you are invited to forward your English application with salary request and earliest starting date preferably via E-mail to Human.Resources@nec-displays.com
