

Further research | First semester 2016 with considerably higher revenues than 2015

“The revenues in the first half year 2016 have ... in comparison to the revenues of the same period in the previous year.”

66,7% of all polled companies could generate in parts a clear **increase in revenues** in the first half year term in 2016 compared to the same period in the previous year

Only 22,3% of all polled companies had to accept a **decrease in revenues** compared to the previous year
